Dear Mr. Kennedy,

For Linear Technology's μ Module products, we are happy to inform you that **SisTech Manufacturing** (Bend, Oregon) is now a preferred assembly supplier and will therefore recommend you to our customers.

We will also notify all our sales offices and distributors regarding our confidence in your capabilities.

If you'd like to include this recommendation on your company website, please contact Afshin Odabae, μ Module Power Product Marketing Manager at aodabae@linear.com.

This recommendation letter is valid for a year from the date of issue and is subject to review.

Sincerely,
